FEATURES AND BENEFITS

- Durable, shatter resistant surface that resists scratches
- 100% moisture resistant
- USDA and Agriculture Canada certified
- Thermal shock and chemical resistant
- Cleans easily with steam, high-pressure sprayers or soap/water
- Extensive color options on textured or smooth surfaces improves design flexibility
- Class A or Class C fire-rating available
- Color-matched moldings and fasteners available for easy installation
- High impact strength
- Low maintenance
- Meets ASTM D-5319 Standard Specification for Glass-Fiber Reinforced Polyester Wall & Ceiling Panels

IT'S ABOUT YOU

At Nudo, it's more about you than us. We are customer-focused and that means you can expect the responsiveness, consistency and solutions you need.

- **Our goal is to make things easy for you, and that means a simple ordering process, fast turn times and our own transportation network that allows us to provide industry leading, on-time delivery on a dedicated truck.**
- **With an on-time delivery rate of 99% and a return rate of less than 0.2%, we stand behind our products and stand firm on 100% customer satisfaction - period!**
- **We Know One Size Doesn't Fit All. We address the variables that are inevitably present in any project and use our knowledge to provide you with product options that best suit your needs**
- **Our turnkey solution includes fasteners and trim that are specifically made to match our panels.**

NUDO®

YOUR VISION IS OUR MISSION™

FiberLite® FRP

MOISTURE AND IMPACT RESISTANT WALL AND CEILING PANELS

FiberLite® FRP

POPULAR APPLICATIONS

- Kitchens and Food Preparation Areas
- Food Processing Plants
- Bathrooms and Hallways
- Laboratories and Clean Rooms
- Water Treatment Plants
- Animal Confinement

FiberLite FRP are fiberglass reinforced plastic panels that are ideal for new or retrofit construction. They install directly to solid wall surfaces or can be used for drop-in ceilings. FiberLite FRP panels are specially engineered to provide durability, easy maintenance, sanitation and will not support mildew growth.

NUDO®

YOUR VISION IS OUR MISSION™

FiberLite FRP panels are an economical solution for areas that require protection from impact, abuse and moisture resistance. A wide selection of sizes, colors, textures and fire ratings are readily available. Competitive pricing and no minimums make FiberLite FRP the choice of distributors from coast to coast. For pre-laminated FRP (Nu-Fiber), visit www.Nudo.com.
