Product Data Sheet

Black Pipe Boot

Fits pipe sizes ranging from 1”-6”

Product Information

Seal Trust™ Pipe Boots are pre-molded EPDM accessory for flashing pipes or stacks protruding from the roof on single ply membrane installations such as EPDM and TPO. Pipe Boots are installed over vent stacks and pipes usually on flat roof surfaces. The boots all come pre-taped for easy installation with a flange that installs to the membrane in a peel and stick application. The boots come with two piece release paper for easy use.

Resistant to: Weather, water & water vapor, (5%) acidic or basic solutions
Effected by: Petroleum, grease, oil, solvents, vegetable oils, and animal fats
Product Storage: Store in warehouse without excessive heat. Do NOT store long term on roof.
Shelf Life: 1 year if stored between 60° and 80° F.
